1. Email of Update - Viwentiaa

Dear Professor,

I am writing to provide an update on the preparations for KLH Bachupally's annual tech-fest, Viwentiaa 2026.

So far, our team has completed the initial planning, finalized the major event activities, and started coordinating with the respective student teams. We have also worked on participant registration, event promotion, and arrangements for the technical events. The team is currently finalizing the schedule and coordinating the remaining logistical requirements.

A few tasks, including final venue arrangements, technical setup, and confirmation of some event details, are still pending. We expect to complete these preparations before the event and will keep you informed of any further developments.

Please let us know if there are any additional tasks or changes that you would like us to address.

Best regards,
Harsha Vardhan
Organizing Committee Member
Viwentiaa 2026
